My thigh high chunky socks knitting pattern is a quick and easy project for socks that will keep toes, feet, and legs warm and snuggly in style.

These socks are intended to be thigh-high, but with a few easy adjustments to the pattern, you can make them fit as over the knee socks, or simply knee-high. The socks are knit like a tube, with no shaping for the heel, so one size will fit most. You can also custom knit them to fit smaller or larger thigh sizes, so this truly can be a one size fits all. The socks are made using bulky weight (chunky knit) yarn and 4 double-pointed knitting needles, size 8 (5.00 mm).

My patterns are written in plain English, which makes them easy to follow whether you are a newbie knitter or you have many years of experience.
