The world we live in today is driven by communication. It's never been so easy to hear from family and friends. Media sources can be accessed almost immediately. We read, hear, and consume more information than generations before us would've ever thought possible. We can hear any voice we desire to hear instantly.

Why is there such a struggle to hear from God? Does the God who created the universe still speak to us today? And if so, why can't we hear what He's saying?

He still speaks, and He's provided everything we need to learn to hear Him.
