A senseless killing.

A strange coincidence.

A disturbing secret.

When a plastic surgeon is murdered outside his clinic, Tyson and his Navy buddy, JD, search for the motive. Was he the target of a sinister plot, or was it just random violence?

As the duo digs up evidence, a shocking coincidence turns things upside down. The deputies head down a serpentine path full of wicked surprises and ruthless villains.

To complicate matters, a young girl goes missing. Has she run off to pursue her dreams of stardom? Or has she met a terrible fate? The only person who has a clue isn't talking.

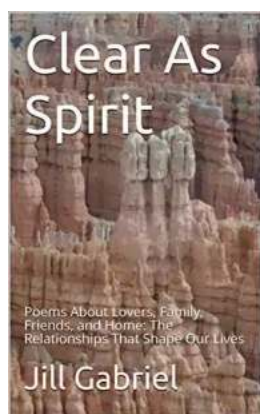

JD's on the mend, Scarlett returns to LA, and Tyson has an unusual encounter.

There's something vile on the island, and the deputies may have to sacrifice everything to get to the truth.

It's beer, boats, and bikinis as the best friends bring their brand of justice to the Florida Paradise.
