The fight is coming home.

For trophy daughter Nora Gladstone, life isn't as perfect as it appears. When her only ally is suspiciously killed the truth of her father's treachery leaks through the cracks of the facade that is her whole world.

Zander O'Connell and his team of former soldiers and spies accept a mission from the director of the Department of Clandestine Services. A quick search of the objective before they destroy it reveals a sinister picture.

Determined to bring her father down, Nora may be the key to the question at the core of Zander's existence. But when a man thought dead

resurfaces, the threat becomes far more dangerous than any of them expected.

Unless they survive, this will be their Last Taste of Freedom.

Book 1 in the Last Chance County spin-off series featuring Zander and his team of protection specialists.
