As Amelia stepped further into Garoureve, she could sense an otherworldly presence gradually enveloping her. The gentle rustling of leaves and the

ethereal glow amidst the trees enticed her to explore deeper into the valley.

It was during this exploration that Amelia's path crossed with a shifter named Ethan, a powerful and wise wolf. Enchanted by his regal appearance and captivating spirit, Amelia was drawn to him, unaware of the profound connection that would soon unfold.

An Unforgettable Night of Transformation and Love

Together, Amelia and Ethan danced under the moonlight, their true selves united in a mesmerizing spectacle of shape-shifting wonder. They

It was only supposed to be for one night...

Ariana wasn't expecting much when she pulled into the small town of Garoureve. Just a place to sleep for the night, a quick meal, and maybe a drink. What she found instead was a man with a smile who spent the night worshipping her body like it was his religion.

When morning came, she left with unexpected regret and a mark to remember him by. A mark that meant a lot more than she realized. A mark that meant her one-night stand wasn't going to be her only night with him.

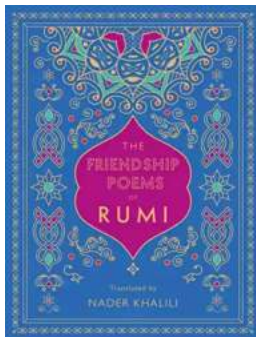

But when his secrets start to impact their new life together, it no longer matters that his touch feels like magic and he feels like her soulmate. Sometimes, the problem isn't the actual secret being kept. It's the power that a secret can hold.

The first book in a series of paranormal romances featuring plus-size heroines, wolf shifters, fated mates, and a town that magically appears when it's needed.
