The year is 2001, and American businessman Roger Gordian has extended his reach into space. His company has become the principal contractor in the design and manufacture of Orion, a multinational space station.

But the launch of a shuttle carrying parts for the station is sabotaged. Mysterious guerrilla attacks occur at the manufacturing facilities in Brazil and Kazakhstan. And Gordian's deepest fears are confirmed...

The Orion project has been targeted by an international terrorist whose criminal enterprises thrive on violence and political instability. Harlan De Vane's goal is to cripple Gordian's intelligence and security team, while stowing a high-powered electromagnetic pulse generator aboard Orion--a state-of-the-art weapon with the capacity to throw every major American city into chaos...
