The story revolves around Dash Rendar, a renowned smuggler who finds himself entangled in a dangerous game of power and deceit. Set during the tumultuous period between the events of Episode V: The Empire Strikes Back and Episode VI: Return of the Jedi, Shadow Games offers a fresh perspective on the iconic Star Wars saga by exploring its underbelly. As Dash Rendar navigates through a web of secrets and treachery, readers are taken on a rollercoaster ride filled with suspense, action, and unexpected twists.

### The Cast of Shadows

One of the strengths of Shadow Games is its diverse ensemble of characters, each with their own unique personalities and motivations. From Dash Rendar, a charismatic anti-hero seeking redemption, to the fierce

bounty hunter, Dengar, the book introduces a wide array of intriguing individuals who play pivotal roles in the unfolding drama.

Readers will also encounter the enigmatic crime lord, Prince Xizor, a character who crosses paths with Rendar throughout the story. Xizor adds an extra layer of complexity to the narrative, as his plans intertwine with those of our protagonist, creating a dynamic and engaging plot.

SOME GAMES ARE PLAYED FOR LIFE OR DEATH.

Javul Charn is the most famous pop star in the galaxy—and the runaway bride of a violent lieutenant in Black Sun, the crime syndicate commanded by Prince Xizor. Or so Javul says. Soon after Dash Rendar, broke and

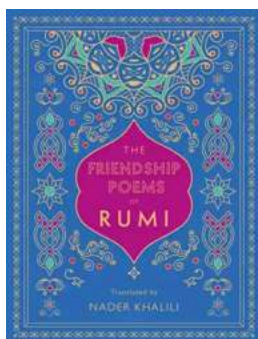

desperate, agrees to be Javul's bodyguard, he realizes that openness is not her strong suit—and that murder is stalking her tour. Between the discovery of dead bodies in a cargo hold and an attack by an unidentified warship, Dash and co-pilot Eaden Vrill desperately try to understand who is terrorizing Javul's tour and why. When Han Solo suddenly joins Javul's road show, the stakes are raised even higher. Now Dash, who has a history with Han and an even worse history with Prince Xizor, follows his instincts, his discoveries, and Javul herself—straight into a world that may be too dangerous to survive.

Features a bonus section following the novel that includes a primer on the Star Wars expanded universe, and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years!
