The Greatcoats have found the heir to the throne . . . but now they must keep her alive, against all the odds.

'These books are just joyous - first-rate fiction, first rate adventure, first rate full stop.' Conn Iggulden, author of The Golden Age series

The Greatcoats have found the heir to the throne . . . but now they must keep her alive, against all the odds.

Falcio Val Mond has completed the final task given to him by the late King Paelis: he has found the King's Charoites (well, one at least). But his task isn't over, and now he, Kest and Brasti must protect the girl from those who want her dead.

'Sebastien, write faster!' John Gwynne, author of the award-winning series The Faithful and the Fallen

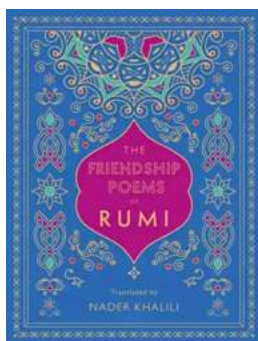

That would be simple enough, if it weren't for the renegade Knights and legendary Dashini assassins, getting in their way, not to mention the Dukes, who are desperate to hold on to their power at any cost, or Trin, the merciless daughter of the ruthless Duke of Rijou and the cruel Duchess of Hervor, who is determined to be Queen of Tristia. Of course, the fact that the heir to the throne is thirteen years old doesn't help, nor the fact that every day brings Falcio closer to dying from the poison running through his veins.

And then there is the Greatcoat's Lament
